- Work collaboratively with a variety of people for the benefit of the community garden.
- Fulfill the terms of the DUG waiver and release as well as any additional requirements your garden may have.

I agree to the below regarding background checks or this is not applicable to me. *

For gardeners at ALL school-based community gardens, a name only background check is required for everyone on site per DUG's agreement with the school district.

By checking here, I confirm I have a current background check. Due to school policies regarding background checks, I understand that if I want to volunteer and support students directly, at least once per month or more, and in situations with the likely possibility where a school staff member or fingerprinted volunteer are not in a supervisory role, it is my responsibility to contact Denver Urban gardens to complete the required fingerprint background check.
